

108. (New) The method of claim 95 wherein the step of outputting includes the step of outputting that part of the additional information which relates to information that will be received by the electric apparatus from a present time onward.--

REMARKS

Reconsideration is respectfully requested. Claims 33-108 are pending. Claims 33-108 are substantially directed to the cancelled claims 1-13, 20-29, 31, 33-38, 40-52, 54-61, 92-96, 98-99, and 103-121 of the parent application no. 09/114,390 which were cancelled without prejudice in the parent application to expedite the issuance of the parent application. Additionally, as can be seen, the newly added independent claims are amended to further distinguish the claimed invention from the cited references in the parent application.

In view of the foregoing, Applicants respectfully submit that all pending claims are allowable.
